

Parsippany Pride Invitational 2011

Celebrating our 23rd year

This year will mark the 23rd Parsippany Pride soccer tournament. The Pride is the largest fall soccer tournament in the northeast and it has gained a stellar reputation within the soccer community. We expect to attract 15,000 people to the Parsippany area for the weekend of Oct 7-9. Pride weekend has always been a prosperous time for most businesses throughout the area

Please share your Parsippany Pride and display our tournament logo (8 ½ x 11) at your business. A donation for the sign is only \$25 and signs will be distributed during early September.

The PSC appreciates your support during our 23rd tournament anniversary.
