Each parent must register his or her own child. There will be no team registration allowed! Any falsification of information will disqualify the registrant from participation.

The Parsippany Soccer Club also has a travel program – for both boys and girls – ages seven and up. Travel teams for each age group are selected by open try-outs every year. Additional teams may be formed by age group if there is sufficient interest among club members.

Players, including those already playing in the travel program, MUST indicate their desire to try out for travel teams by registering under the travel program. Otherwise, they will not be notified in advance of the scheduled tryout. There are additional fees charged to all participating travel team players.

Questions regarding registration can be answered by visiting our website or e-mail pscregistrar@verizon.net.
