**SOCCER UNLIMITED AND THE PARSIPPANY SOCCER CLUB ARE PLEASED TO OFFER A HIGH LEVEL WINTER SKILLS PROGRAM TO ALL PLAYERS AT ALL LEVELS. PLEASE READ BELOW FOR MORE INFORMATION.**

At Soccer Unlimited our goal is to offer the best learning environment for all players. Our curriculum places an emphasis on teaching and assisting players to reach their full potential throughout the program. We believe that the curriculum, staff, attention to detail, and facilities creates an overall experience that will help all players reach their goals – both on and off the field.

Our winter skills program has been designed to work with all players, regardless of their soccer experience. The program will emphasize four major areas: technical, tactical, physical, and mental. The program will improve players technical skills, tactical speed of play, foot speed/agility, and confidence on the ball and taking players on. These four major areas will be stressed in every session.

Brian Sentowski, Director of Soccer Unlimited, will be doing all the trainings. We expect many players to sign up so pre-registration is a must. Please be advised that payment must be in by January 2nd to assure a position in the program.
