

We're Not Just **SPORTS**...

But We're **ALL** About the **CARE!**

SportsCare Physical Therapy is a privately owned rehabilitation provider with over 40 locations in New Jersey and New York. SportsCare is committed to providing the *highest* quality of care for our patients. It is our goal to help our patients reach a level of performance equal to or greater than prior to injury. Our staff will work with a patients referring physician to diagnose and establish an individualized treatment plan *specifically* for you as well as provide education on your condition and the progress of your rehabilitation.

We're Not Just Sports! While SportsCare is recognized as the leader in sports medicine we also treat an array of conditions, recent or chronic from young to old. Whether you're a professional or amateur athlete, executive or laborer, house mom or dad, SportsCare Physical Therapy is nearby and can help you get back to *life!*

*SportsCare accepts most insurances and handles insurance verification prior to your visit. We also provide **Free Transportation Services** in select areas.*
